

Prominent commercial real estate company with a large portfolio is seeking a Commercial Property Manager with expertise in office and industrial property management to join our team and manage assets in central Las Vegas with Institutional Ownership. The talented applicant would be a highly motivated, self-starting individual eager to provide quality service as required in the continued growth and development of the fully integrated real estate services offered to our clients. Individual must possess a current Nevada Real Estate License and Property Management Permit, with a minimum of 3-5 years commercial property management experience. Position requires extensive knowledge of property budgeting and CAM reconciliations. A CPM or RPA professional designation or candidacy is a plus. Please fax resumes to 702-263-4067.
